The Widening Circle of Us Peter Francis, 2021-09-03 The Widening Circle of Us is a personal, political and theological work. Peter Francis charts his own widening from a privileged beginning with an unquestioning naïve faith to a liberal understanding of faith and society. He now believes that Christianity is best viewed as a completely non-supernatural ethic for life. The memoir weaves his personal story alongside his passion for the humanity of Jesus and writes about the battles for inclusion that have shaped his life and ministry. It is an honest reflection on his life as a priest in England, Scotland and Wales, including nearly 25 years as Warden of Gladstone's Library, where his widening continues with responding to the Gladstone legacy of historic slavery in the wake of Black Lives Matter.
