The Life Giving Spirits:

Life-Giving Spirit Dave Thomas, 2011-02 A Christian teaching book dealing with the transformation that takes place when Christ Jesus the life giving Spirit enters our life when we are born again The Crystallization of the Epistle to the Romans Lee Witness, 1996-08 *The Letter Kills, but the Spirit Gives Life* Sky Takemoto, 2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free **The Holy Spirit in African Christianity** David K. Ngaruiya, Rodney L. Reed, 2022-10-10 The identity and nature of the Holy Spirit has long been a critical and often divisive topic among Christians Yet it is one with which we must continue to grapple if we are to grow in our understanding of the personhood of God the calling of the church and the life of the believer The seventh volume drawn from the annual conference of the Africa Society of Evangelical Theology this collection of essays addresses questions of pneumatology against the rich background of African church history African theologians explore centuries of Christian understanding from the writings of Augustine to the doctrine of African Instituted Churches and examine the impact of pneumatological belief upon the life and worship of the believer Serving as a corrective on pneumatological heterodoxies while making space for both the diversity and unity of the African church this volume provides a powerful reminder of the centrality of the Holy Spirit to Christian doctrine and praxis The Fulfillment of the Tabernacle and the Offerings in the Writings of John Witness Lee, 1991 *Ministry Digest, Vol. 01, No. 02* Witness Lee, The purpose of this monthly digest is to help to encourage and assist in the daily reading of the ministry in the Lord's recovery Its two specific goals are 1 to help the saints to enter into the riches of The Collected Works of Witness Lee and 2 to provide ministry content for the churches in their corporate weekly pursuit The Collected Works of Witness Lee comprises one hundred thirty nine volumes arranged chronologically by year In this digest we will focus primarily on specific topics from many of these volumes and introduce selected readings on these topics to saints who do not have access to the printed volumes It is our desire to help the saints get into the riches contained in The Collected Works of Witness Lee topic by topic This publication will help the saints and churches develop a taste and deepen the desire for reading the ministry in a consistent way It is intended to supplement and not replace the Recovery Version of the Bible the Life study messages The Holy Word for Morning Revival and The Ministry

of the Word magazine Each issue of Ministry Digest will be divided into four sections with four messages in each section The first issue begins the following four sections 1 The History of the Lord s Recovery 2 Words for New Believers 3 Maturing in Life 4 The High Peak of the Divine Revelation Incarnation, Inclusion, and Intensification Witness Lee,1996 **Four**

Crucial Elements of the Bible--Christ, the Spirit, Life, and the Church Witness Lee,1998-12 The Four Crucial Elements of the Bible -- Christ, the Spirit, Life, and the Church Witness Lee, The Bible has its kernel its life its center which is constituted with the church Christ the Spirit and life These four items are the contents of the true substance of the Bible The revelation of the Bible particularly the New Testament stresses these four matters the church Christ the Spirit and life If we remove these four items from the New Testament all that remains would merely be dead letters These four crucial elements are also the four important items in the Lord s recovery today Hence we must all have a deep impression a fresh light and a renewed understanding concerning these four crucial elements Life-Study of 1 Corinthians Witness Lee,1990-08 **The**

Collected Works of Witness Lee, 1984, volume 3 Witness Lee, The Collected Works of Witness Lee 1984 volume 3 contains messages given by Brother Witness Lee from March 3 through December 16 1984 At the beginning of March Brother Lee traveled to Brazil and spent most of March ministering there At the end of March he returned from Brazil to Anaheim California and remained there until the middle of April During the last two weeks in April Brother Lee traveled to Stuttgart Germany and on his return to the United States he visited New York City Washington D C and Newton Massachusetts during the month of May At the end of May he ministered in Irving Texas and in the first few days in June he visited Denver Colorado At the end of June Brother Lee returned to Anaheim and remained there until the first week in October From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim for a few days in the middle of November and near the end of November he traveled to Irving where he remained until the end of the year The contents of this volume are divided into two sections as follows 1 Seventeen messages given in Brazil on March 3 through 10 These messages were previously published in a fifteen chapter book entitled The Divine Economy and are included in this volume under the same title 2 Fifty one messages given in Stuttgart Germany Washington D C Irving Texas Newton Massachusetts New York City and Anaheim California on April 20 through December 16 These messages were previously published in a forty four chapter book entitled God s New Testament Economy and are included in this volume under the same title **The Ministry of the Word, Vol. 22, No. 05** Various Authors,2018-05-01 This issue of The Ministry of the Word contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures God s ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God s eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God s chosen people as the seed of life

the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God's economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for imparting life The life giving Spirit is the extract the essence the concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God's life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God's desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God's heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now

our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God s salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God s element transformation with God s being conformation into God s image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God s organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God s holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God s organic salvation equals reigning in Christ s life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Chapters 5 through 8 of Romans—the Kernel of the Bible Witness Lee, Watchman Nee, 2025-03-31 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the international Chinese speaking blending conference held in Anaheim California on February 14 16 2025 The general subject of the conference was Chapters 5 through 8 of Romans the Kernel of the Bible Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ Being Saved in Christ's Life and Walking according to the Spirit for the Building Up of the Body of Christ Witness Lee, 2025-10-07 We need to be saved not only from eternal condemnation but also from the subtle and deeper problems To be saved in the life of Christ is to be saved from the law of sin from being common and worldly from being natural from being self like and from being individualistic We can be saved from all these things by the growth in life The way to be saved in life is to receive Christ as the life element and let Him have a free course within us The key to this life experience is in Romans 10 12 which says The same Lord is Lord of all and rich to all who call upon Him When we call on the name of the Lord we participate in all His riches and we give Him a

free course within us to reach all our inward parts This is to have the best spiritual digestion of Christ Then we will have the growth in life that issues in our being saved in His life We will grow in Him with Himself as the life element The issue of our salvation in life is the Body of Christ which is God's goal

Exercising Our Spirit to Practice the Body Life Witness Lee, 2024-02-20 As Christians we have been saved and regenerated by God to be members of the Body of Christ and to come together to practice the Body life This is God's main and central will for us The Body life is a basic and foundational matter in the Scriptures and without it it is impossible for us to be victorious spiritual or holy to grow in life or to be built up with other believers as a living expression of Christ Central to our experience of the Body life is the exercise of our human spirit God created a spirit within us specifically so that we could contact Him Once we learn how to exercise our spirit to contact Him everything that God is and has will become our daily experience Through such a daily experience God will be able to fulfill His purpose

Our Urgent Need - Spirit and Life Witness Lee, 1988-09 *Ministry Digest, Vol. 05, No. 01* Witness Lee, 2022-12-21 In this issue we will continue four lines of ministry The first line The History of the Lord's Recovery contains chapters 13 through 16 of The Kernel of the Bible which are in volume 1 of The Collected Works of Witness Lee 1977 This section includes messages on aspects of what Christ is the way Christ builds His church the way to produce the church and the church as the Body of Christ and the fullness of Christ The second line Words for New Believers contains chapters 2 through 5 of The Fulfillment of God's Purpose by the Growth of Christ in Us which are in volume 1 of The Collected Works of Witness Lee 1970 These chapters cover how to take Christ as our life the way to have the growth of Christ within us enjoying Christ by calling on the name of the Lord and being saved and renewed by Christ as life The third line Maturing in Life contains chapters 19 through 22 of Perfecting Training which are in volume 1 of The Collected Works of Witness Lee 1980 These chapters contain messages on being unloaded to live Christ being active passive to live Christ being reduced to live Christ and vessels open to the Lord The fourth line The High Peak of the Divine Revelation contains chapter 16 of Crystallization study of the Gospel of John which is in volume 4 of The Collected Works of Witness Lee 1994 1997 and chapters 1 through 3 of The Christian Life which are in volume 2 of The Collected Works of Witness Lee 1991 1992 These chapters cover an intrinsic interpretation of John's writings the definition of the Christian life the contents of the Christian life and the all inclusive Spirit

God's New Testament Economy Witness Lee, God's New Testament Economy is a thorough study of the New Testament It does not provide superficial inspiration nor is it a dry systematic analysis However in this book Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God

The Divine Economy Witness Lee, 1986 [The Spirit of Ultimate Life](#) Uchechukwu K. Ozua, This book Spirit of Ultimate Life Man's Soul and Eternity will enlighten you on the spiritual anthropology of man though created in the image and after the likeness of God whether you are white black or red Indian We belong to one family in Christ in whom all things consist provided we believe in Him Again we are of three categories and it

is by these categories that everyone will stand naked before the judgment seat of God the natural man the carnal man and the spiritual man
