He's not looking for complications, and something tells him that Scarlett Buck is a whole handful of them. But soon it's clear she's not just trouble, she's in trouble, and like it or not, he's not about to turn his back on this stray from the States. Especially if she can do him a favor in return. After all, it's just a helping hand. Or is it? Almost A Bride Tara Buck has always been the good sister, level-headed by comparison to Scarlett, her flaky, impulsive twin. But when Tara learns her fiancé has been cheating on her with one of his school students, the orderly world she's created for herself suddenly feels as if it's falling apart. For years she chose the safe option, but from now on she's going to live a little, be a little daring. And if that means acting on the long-suppressed feelings she's always had for Reid Dalton, then so be it. Reid has wanted Tara from the moment he met her, but she's always been out of bounds. Not only is she his patrol partner at the Bozeman PD, she's also engaged. But then her relationship blows up, and Reid finds himself battling his own instinct to stake his claim with the finest, hottest woman he's ever known. Even if anything did happen between them, it would only be temporary. So even if things are good between them, it seems their romance is destined to be short and sweet.
