The Light Fantastic Discworld Novel:

The Light Fantastic Terry Pratchett, 2000-02-02 Terry Pratchett's profoundly irreverent novels are consistent number one bestsellers in England where they have garnered him a revered position in the halls of parody next to Mark Twain Kurt Vonnegut Douglas Adams and Carl Hiaasen In *The Light Fantastic* only one individual can save the world from a disastrous collision Unfortunately the hero happens to be the singularly inept wizard Rincewind who was last seen falling off the edge of the world

The Light Fantastic Terry Pratchett, 2000-02-02 Rincewind a cowardly wizard is the only one who can save Discworld as it falls slowly towards a red star

The Light Fantastic Terry Pratchett, 2022-09-27 Incredibly funny compulsively readable The Times The Discworld is very much like our own if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle that is What shall we do said Twoflower Panic said Rincewind hopefully He always held that panic was the best means of survival As it moves towards a seemingly inevitable collision with a malevolent red star the Discworld could do with a hero What it doesn't need is a singularly inept and cowardly wizard still recovering from the trauma of falling off the edge of the world or a well meaning tourist and his luggage which has a mind and legs of its own Which is a shame because that's all there is

The Discworld novels can be read in any order but *The Light Fantastic* is the second book in the Wizards series

The Light Fantastic Terry Pratchett, 1995-11 It's just one of those days when nothing seems to go right a most inopportune time for the first tourist ever to set foot and carnivorous Luggage on the Discworld to be extending his already eventful vacation Not that he currently has much choice in the matter But with a monstrous red star on a direct collision course the future for the residents of this flat planet carried by four elephants riding on the shell of a giant turtle swimming through space appears uncertain at best Fortunately there is one individual who can save Discworld from total destruction Unfortunately that hero happens to be the singularly inept wizard Rincewind who was last seen falling off the edge of the world

The Light Fantastic, 1999

Light Fantastic Terry Pratchett, 1997-09-02 Panic said Rincewind hopefully He always held that panic was the best means of survival When the very fabric of time and space are about to be put through the wringer in this instance by the imminent arrival of a very large and determinedly oncoming meteorite circumstances require a very particular type of hero Sadly what the situation does not need is a singularly inept wizard still recovering from the trauma of falling off the edge of the world Equally it does not need one well meaning tourist and his luggage which has a mind of its own Which is a shame because that's all there is

The Colour of Magic Terry Pratchett, 2008 This title which launched the legendary Discworld series introduces the tourist Twoflower and his wizard guide Rincewind Part of a reissue of the first three Discworld books this novel includes an overview of the fantasy land with a map visitor's guide and Pratchett crossword puzzle
