Frank Capra Joseph McBride, 2011-06-02

Moviegoers often assume Frank Capra's life resembled his beloved films such as *Mr Smith Goes to Washington* and *It's a Wonderful Life*. A man of the people, he faces tremendous odds and, by doing the right thing, triumphs. But as Joseph McBride reveals in this meticulously researched, definitive biography, the reality was far more complex: a true American tragedy.

Using newly declassified U.S. government documents about Capra's response to being considered a possible subversive during the post-World War II Red Scare, McBride adds a final chapter to his unforgettable portrait of the man who gave us *It Happened One Night*, *Mr Deeds Goes to Town*, and *Meet John Doe*.

How Can You Still Be Catholic? Christopher Sparks, Christopher Sparks asked Facebook friends to finish the question: How can you still be Catholic when... The replies came swiftly and forcefully. With that, Sparks went to work. Here is the result.

In this book, he addresses the biggest issues people grapple with when they think about the Catholic Church: the Inquisition, the Crusades, the Church's role in a state, homosexuality, the role of women in the Church, and many others. For skeptics and non-Catholics, this book is an invitation to understanding the faith, a way for outsiders to hear one contemporary Catholic's worldview and to see through Catholic eyes, even if they remain unconvinced. For Catholics, this book is an introduction to an array of answers and resources for delving more deeply into and defending the faith.

Finding God on the Indian Road Chad Johnson, 2023-09-15

Drawing on the long and arduous history between the Indigenous people of North America and the Christian church, that colonists brought to them, the harmful relationship of the past must be addressed. To move forward so that Native American spiritual practices have much to offer the Christian world of spiritual living, a way, a spirit of respect and reverence must be established. For centuries, these two deeply spiritual worlds were told that they could not and would not coexist. Drawing deep attention to ways Native American spiritual practices have been misappropriated and trivialized over the years, through a lack of reverence, draws us into a deeper sense of respect and appreciation for non-Native persons and offers a new sense of hope and beginning for Native peoples that continue to struggle with the voices of the past, telling them that being fully Native and fully Christian are incompatible. There is a new reality that these two worlds very much can and should coexist, and it is a good and joyful thing for all people to begin to explore where Native American cultures and faith intersect.

Hitler and the Occult Ken Anderson, 2010-10-05 Journalist Ken Anderson analyzes claims made by historian Trevor Ravenscroft and others that the Holy Lance, which is said to have pierced the side of Jesus Christ, took center stage in Hitler's life and was the focal point of Hitler's ambitions to conquer the world. In addition to pointing out the flaws in this theory, Anderson questions the veracity of the biblical story of the lance. Was there some meaning behind the flight of Hitler's deputy Rudolf Hess to Britain? Hitler's supposed extrasensory perception, his choice of the swastika as the Nazi symbol, the Superman who haunted the Führer, the use of Nostradamus in propaganda, the way Americans were taken in by the astrological propaganda war, and strange similarities between Hitler and Charlie Chaplin. Anderson offers rational explanations for these alleged strange events and powers, demonstrating that they cannot be attributed to Hitler.

Epic Films Gary Allen Smith, 2015-09-03 Epic films, those concerned with monumental events and larger than life characters, cover the period from the Creation to the A.D. 1200s and have been churned out by Hollywood and overseas studios since the dawn of filmmaking. Cecil B. DeMille, a master of the genre, hit upon the perfect mixture of sex, splendor, and the sacred to lure audiences to his epic productions. The 355 film entries include casts and credits, plot synopsis, and narratives on the making of the films. There are 190 photographs in this edition.

The Hidden Flame (Acts of Faith Book #2) Janette Oke, Davis Bunn, 2010-01-01 Abigail loses everything and is left with little promise of a normal life. When she discovers the Messiah and joins his followers, she also discovers new meaning and purpose. Maybe she does have a future after all. But increasing persecution is scattering the burgeoning group to the ends of the earth. And Abigail may have given her heart to the wrong man. Two suitors desire the lovely Abigail's hand in marriage. One is a successful Hebrew merchant and widower looking for a mother for his children. On the other side is the Roman soldier Linux, who is captivated by her winsome charm and could offer the sanctuary, maybe even the love for which she yearns. But her heart has been captured by neither of these. Stephen, one of the leaders of The Way, has a character and a faith that move her deeply, but his outspoken preaching has marked him for assassination. Will her faith and courage withstand a heartbreak beyond comprehension? And then a glimmer of hope appears, one she never would have foreseen.

The Writer and the Cross Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life, and Christians are no exception. Many followers of Jesus value beautifully written, deftly characterized, and pulse quickening literary art that seems more satisfying than dry, tedious doctrinal textbooks. This book surveys 12 pieces of historical fiction that feature notable Christian thinkers. They include an illustrated children's book about St. Irenaeus of Lyons, a novel about Martin Luther's Reformation, a screenplay focusing on Dietrich Bonhoeffer, and even a story about Pope Francis narrated in popular manga style. Rather than arcane literary analyses, this book provides thoughtful and sometimes

painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction **The Heavenly Alchymist ...** Susan Augusta Woodbridge, 1892
