The Judges House Inspector Maigret:

The Judge's House Georges Simenon, 2016-02-16 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Exiled from Paris Maigret discovers some disturbing secrets in a sleepy coastal town A short sprightly man appeared in the doorway looked left and right and went back into the passage A moment later the improbable happened The little man reappeared bent over clinging to a long mass that he now started dragging through the mud It must have been heavy After four meters he stopped to catch his breath The front door of the house had been left open The sea was still twenty or thirty meters away Maigret has been exiled from Paris to a remote province having offended his superiors Out of his element he finds himself utterly bored until a murder case arrives **The Flemish House (Inspector Maigret)**

Georges Simenon, 2025-11-11 A moody rain swept mystery from Georges Simenon that unfolds in a border town haunted by floods and deep secrets In *The Flemish House* Maigret arrives in the rainy flood prone town of Givet on the Belgian border to solve the case of a missing young woman He has been hired by the wealthy Peeters family who are suspected of being responsible to clear their name As he plumbs the mysteries prejudices and hidden dramas of this town caught between two worlds he has to decide whether there was foul play involved in the vanishing of the young woman or if she has simply been chased away by the oppressive air of this benighted and fraught no man s land As he investigates he finds himself becoming increasingly fascinated by Anna Peeters the daughter of the family who stoic and unemotional seems to be the linchpin in the strange compact that keeps the family together Investigating Simenon Russell Campbell, 2022-09-21 For nearly a century

the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon s 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself *Liberty Bar (Inspector Maigret)* Georges Simenon, 2025-11-11 Sun sand the C te d Azur and a mysterious dead man with multiple hidden lives Who was Mr Brown And why does the mystery of

his life preoccupy Maigret so Georges Simenon's Maigret arrives in Antibes on the French Riviera tasked with discreetly solving the murder of one Mr Brown stabbed in the back as he returned to the house of his mistress and her mother As Maigret investigates he finds himself drawn to the seedy dive bar frequented by the late Mr Brown and strangely absorbed in his ruminations on the many secret lives of this cipher of a man Is Maigret simply distracted by the sun surf and vacationers or is there something else about the case that is preoccupying him And is it keeping him from seeing the truth in this tale of murder on the C te d Azur

Maigret and the Old People Georges Simenon, 2018-06-07 Acute psychological insight and a distinctive spare atmospheric style Simenon ought to be spoken of in the same breath as Camus Beckett and Kafka Independent on Sunday The death of a beloved former ambassador unearths disturbing truths in this classic novel featuring Simenon's literary legend He had seldom been so perplexed by human beings Would a psychiatrist a teacher or a novelist have been better placed to understand characters who had suddenly materialized from another century The violent death of a distinguished former ambassador the Comte de Saint Hilaire an old man without political secrets or enemies confounds Inspector Maigret until a bundle of letters promises to uncover the tragic truth One of the greatest writers of the twentieth century Guardian Gem hard soul probes not just the world's bestselling detective series but an imperishable literary legend Boyd Tonkin The Times

Maigret and the Lazy Burglar Georges Simenon, 2018-07-05 His artistry is supreme John Banville Sullenly he got dressed Why whenever he was woken on a winter night like this did the coffee have a particular taste The smell of the apartment was different his pipe too had a different taste Set against a high profile hunt for the latest criminal gang to hit Paris Maigret is determined to track down the murderer of a quiet crook for whom he cannot help feeling affection and respect This novel has been published in a previous translation as Maigret and the Idle Burglar One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian

Maigret in Court Georges Simenon, 2018-05-03 His artistry is supreme John Banville They suddenly found themselves in an impersonal world where everyday words no longer seemed to mean anything where the most mundane details were translated into unintelligible formulae The judges black gowns the ermine the prosecutor's red robe further added to the impression of a ceremony set in stone where the individual counted for nothing Maigret receives an anonymous phone call concerning the brutal murder of a woman and young child The tip off concerns the woman's nephew a mild mannered man by the name of Gaston Meurant Maigret remains unconvinced of the man's guilt and at his trial exposes some shocking truths about Meurant's private life that may prove his innocence One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian
