The Life We Lead Ascending:

Metropolitan Tabernacle Pulpit Charles Haddon Spurgeon, 1880 **Exiled Royalties** Robert Milder, 2009-01-14 *Exiled Royalties* is a literary biographical study of the course of Melville's career from his experience in Polynesia through his retirement from the New York Custom House and his composition of three late volumes of poetry and *Billy Budd Sailor*. Conceived separately but narratively and thematically intertwined the ten essays in the book are rooted in a belief that Melville's work as Charles Olson said must be left in his own life which for Milder means primarily his spiritual psychological and vocational life. Four of the ten essays deal with Melville's life and work after his novelistic career ended with *The Confidence Man* in 1857. The range of issues addressed in the essays includes Melville's attitudes toward society, history and politics from broad ideas about democracy and the course of Western civilization to responses to particular events like the Astor Place Riots and the Civil War; his feeling about sexuality and throughout the book about religion; his relationship to past and present writers especially to the phases of Euro American Romanticism, post Romanticism and nascent Modernism; his relationship to his wife Lizzie, to Hawthorne and to his father, all of whom figured in the crisis that made for *Pierre*. The title essay *Exiled Royalties* takes its origin from Ishmael's account of the larger, darker, deeper part of Ahab. Melville's mythic projection of a larger, darker, deeper part of himself. How to live nobly in spiritual exile, to be godlike in the perceptible absence of God, was a lifelong preoccupation for Melville who in lieu of positive belief transposed the drama of his spiritual life to literature. The ways in which this impulse expressed itself through Melville's forty-five year career, interweaving itself with his personal life and the life of the nation and shaping both the matter and manner of his work, is the unifying subject of *Exiled Royalties*.

The Complete Works of C. H. Spurgeon, Volume 25 Spurgeon, Charles H., Volume 25 *Sermons* 1451-1510. Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. In his lifetime Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*, Volume 6 (1878), quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey Fancy: a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to

secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **The life and miracles of the holy father Benedict, tr. from the second book of the Dialogues by H. Formby. Followed by The spirit of the Rule of st. Benedict, by dr. Ullathorne** Gregory I ((st) pope.),1858 Manifest for a Humanist Religio Cidália Machado,2025-01-03 In this book we journey into the sacred spaces within our hearts uncovering the light that shines from them the very essence of our existence At the dawn of time the divine was within us and through it we communed with a Love that embraced all creation Yet as monotheistic religions and materialism took hold we grew distant from one another from nature and from the diversity that once united us We became strangers to the living world around us whether human animal plant or mineral all bearers of the same primordial energy This book invites you to rediscover that connection to awaken to the truth that we are all divine sacred vessels of the divine presence Reconnection begins with the realization that something vital is missing something we sense deep within a longing an inexpressible nostalgia Saudade **Sophia** Karsten Massei,2025-09-25 Over time I realized that Sophia has long since united herself with the human being It became apparent to me that her sphere of being has become the sphere of the human soul With a strong emphasis on personal inquiry Karsten Massei provides a unique guide to inner pathways that lead to Sophia using spiritual writings meditations and imagery He reveals Sophia as a goddess who embodies diverse aspects of ancient creative deities such as Isis Gaia Athene and Persephone who have accompanied humanity through the ages Though each journey toward her is personal they share a common goal to deepen our understanding of life and infuse it with wisdom This book invites readers to awaken their own direct experience of the spiritual being known as Sophia Drawing on his personal spiritual investigations and inspired by figures such as Hildegard of Bingen and Jacob Boehme who both encountered Sophia consciously Massei explores her relevance to our time and her significance for the modern soul Who is Sophia How can we come to know her And what can

we do to develop our own insights and relationship with her These are the questions at the heart of this profound and timely work The gateway to Sophia is wide open I was surprised that nothing obstructed my entry into her intrinsic sphere except my reticence or perhaps my sense of inadequacy or lack of trust Her light illumines our souls whether we wish it or not

Readings in Sri Aurobindo's The Life Divine Volume 1 Santosh Krinsky, 2012-11-15 Readings in Sri Aurobindo's The Life Divine Volume 1 There is probably no other book Sri Aurobindo's The Life Divine that I know of which so well completely rationally and intuitively addresses the questions of our existence and the meaning of life and provides a cogent answer rooted in the highest spiritual realization and yogic experience that can be adapted by all regardless of their particular background or inclinations Santosh Krinsky a life long student of Sri Aurobindo with great devotion dedication and attention has served this crucial role of providing a bridge to help us enter more deeply into the vast universe of consciousness that Aurobindo holds open for humanity today He leads the reader through each page of The Life Divine by extracting its essence In this way he makes the book easier to access with no loss of its broader meaning from the Foreword by Dr David Frawley author of Yoga and Ayurveda

Transforming The Soul: Volume 1 Rudolf Steiner, 2013-11-06 The spiritual scientific investigator has to transform the soul itself into an instrument then when his soul is awakened and he can see into a spiritual world he experiences on a higher level a similar great moment as blind people do when having been operated upon they look at a world they have not seen

before In a key series of lectures on personal development Rudolf Steiner explains that the central mission of spiritual science is to enable people to ascend in full consciousness to a knowledge of spiritual realities But given that the means to achieve spiritual perception are now widely available the danger exists that some individuals will gain access to the spiritual world whilst harbouring impure motives This can lead to a distorted understanding and vision of that world Steiner's emphasis therefore is on the preparatory steps the metamorphosis and purification of the human soul required for achieving true spiritual enlightenment Life itself teaches and prepares us for progress and anthroposophy explains and brings this to consciousness In some of his most lucid lectures Steiner describes the missions of anger truth and reverence the significance of human character the meaning of asceticism and illness and the phenomenon of egoism He also clarifies the differences between Buddhism and Christianity describes the goal of spiritual science and makes some esoteric observations about the moon Throughout the talks Steiner refers to many significant historical figures including St Augustine Coleridge Leonardo da Vinci Madame Blavatsky Goethe Homer and Shakespeare

The Great Wave Christopher Benfey,2004-08-10 When the United States entered the Gilded Age after the Civil War argues cultural historian Christopher Benfey the nation lost its philosophical moorings and looked eastward to Old Japan with its seemingly untouched indigenous culture for balance and perspective Japan meanwhile was trying to reinvent itself as a more cosmopolitan modern state ultimately transforming itself in the course of twenty five years from a feudal backwater to an international power This great wave of historical and cultural reciprocity between the two young nations which intensified during the late 1800s brought with it some larger than life personalities as the lure of unknown foreign cultures prompted pilgrimages back and forth across the Pacific In *The Great Wave* Benfey tells the story of the tightly knit group of nineteenth century travelers connoisseurs collectors and scientists who dedicated themselves to exploring and preserving Old Japan As Benfey writes A sense of urgency impelled them for they were convinced Darwinians that they were that their quarry was on

the verge of extinction These travelers include Herman Melville whose *Pequod* is shadowed by hostile and mysterious Japan the historian Henry Adams and the artist John La Farge who go to Japan on an art collecting trip and find exotic adventures Lafcadio Hearn who marries a samurai's daughter and becomes Japan's preeminent spokesman in the West Mabel Loomis Todd the first woman to climb Mt Fuji Edward Sylvester Morse who becomes the world's leading expert on both Japanese marine life and Japanese architecture the astronomer Percival Lowell who spends ten years in the East and writes seminal works on Japanese culture before turning his restless attention to life on Mars and President and judo enthusiast Theodore Roosevelt As well we learn of famous Easterners come West including Kakuzo Okakura whose *The Book of Tea* became a cult favorite and Shuzo Kuki a leading philosopher of his time who studied with Heidegger and tutored Sartre Finally as Benfey writes his meditation on cultural identity seeks to capture a shared mood in both the Gilded Age and the Meiji Era amid superficial promise and prosperity of an overmastering sense of precariousness and impending peril
