The Lone Ranger Rides:

The Lone Ranger Rides Fran Striker, 2021-06-08 In the rogue Wild West laws don't apply equally to everyone. They are made by the corrupt people and for the corrupt people. But Lone Ranger is on a mission. A mission to deliver justice and bring the rogue ones under the ambit of laws. Together with Tonto Lone Ranger will do everything in his power to survive and outwit his enemies. Read the original inspiration behind the famous radio series and the Disney movie featuring Armie Hammer and Johnny Depp. _x000D_ Excerpt _x000D_ In a remote basin in the western part of Texas the Cavendish clan raised cattle. From the vast level acreage where longhorns grew fat on lush grass the surrounding hills looked verdant and hospitable but this was pure deceit on Nature's part. Those hills were treacherous and Bryant Cavendish loved them for that selfsame treachery. Sitting on the porch of his rambling house the bitter old man spat tobacco flavored curses at the infirmities that restricted him. His legs tortured by rheumatism were propped on a bentwood chair and seemed slim and out of proportion to his barrel shaped torso. His eyes like caves beneath an overhanging ledge were more restless than usual as he gazed across the basin. He rasped a heavy thumbnail across the bristle of his slablike jowl. *The Lone Ranger Rides* Fran Striker, 2023-09-18

Six Texas Rangers are savagely cut down by the hidden gunmen of the Cavendish gang. Thus begins the masked man's quest for justice. Herein is told why he first donned a mask the origin of his horse Silver how he fell in with Tonto his Indian friend and why he loads his gun only with silver bullets. This is a story filled with mystery twists thunderous gunfights stirring chases and of course a battle to win the heart of the beautiful Penelope. Take up this classic tale of adventure set in an Old West just over the horizon of legend. *The Lone Ranger Rides Again* Fran Striker, George W. Trendle, 2013-08

The Lone Ranger, 1956 **The Lone Ranger Rides** Fran Striker, 2013-07 In a remote basin in the western part of Texas the Cavendish clan raised cattle. From the vast level acreage where longhorns grew fat on lush grass the surrounding hills looked verdant and hospitable but this was pure deceit on Nature's part. Those hills were treacherous and Bryant Cavendish loved them for that selfsame treachery. Sitting on the porch of his rambling house the bitter old man spat tobacco flavored curses at the infirmities that restricted him. His legs tortured by rheumatism were propped on a bentwood chair and seemed slim and out of proportion to his barrel shaped torso. His eyes like caves beneath an overhanging ledge were more restless than usual as he gazed across the basin. He rasped a heavy thumbnail across the bristle of his slablike jowl. There was something in the air

he couldn't explain. He felt a vague uneasiness despite the almost pastoral scene before him. He scanned the hills on all sides of the basin knowing that no stranger could come through the tangle of underbrush and dense forest. Those hills had always been practically impassable. Then his restless eyes fell on the weird riot of color to the north. That was Bryant's Gap. Water flowing from the basin springs had patiently through countless ages cut the deep cleft in solid rock. The walls towering high on each side reflected unbelievable hues. Bryant's scowl deepened as he observed the Gap.

Striker, 2016-12-10. The buffalo charged then seemed to halt in mid air and crumpled to the ground. The white one didn't understand at first. And then the echo of a gun, the same sort of sound he'd heard when Sylvan had been struck down. It was later that the white horse opened his eyes which were bright with pain. He knew then that man was not always an enemy. Gentle hands caressed him and he felt cool water on his wounds. His strength, some of it was returning and the proud head came up once more. He remembered Sylvan. Here were hated men again, two of them. The tired body rose from the ground on trembling weakened legs. For a moment Silver stood there then he turned and fled. He ran for a time but slower with each passing moment. For some reason the prince felt that he had left a friend behind him. He had learned a grim lesson in the wilderness outside of Wild Horse Valley. There were creatures there far stronger than any horse had been. Huge shaggy ugly brutes who could kill him. Beasts that fell only before the weapons of man. The horse slowed then stopped and looked back. He seemed to know that in this new world outside the Valley he needed friends with another strength than his. He recalled the gentle touch and the deep kindly voice of the man who had bathed his wounds. He took a few steps toward the recent scene of battle where the two men stood still watching him. The terrible weapon that had killed the buffalo was quiet now. Some strong force drew Silver nearer. He was tense ready to turn and flee forever from creatures in the form of men if the thundering machine of Death was fired again but there was only silence. The touch of the man's hand was so like the soft caress of Moussa. Silver wanted more of it. The voice of the man was good to hear. It was rich friendly. Silver went still closer still tense ready to bolt. And then he was at the side of the tall man who had saved his life. He touched his sensitive nostrils to the brown hand and a new emotion was born in the heart of the horse. A love of beast for man. The Texan found it hard to restrain his excitement. The finest horse I've ever seen, he told the Indian beside him. Look at him, Tonto. These muscles and the eyes. The tail and mane are like silk. Look at his coat how it glistens in the sun. I'm going to ride this horse. He came back after he'd left us. I'm going to ride him. And his name shall be Silver. The horse stood quietly while the tall man with the deep voice and gentle touch mounted his bare back. You, Silver, the man said, we're going to be friends, aren't we, old boy? A gentle caress on the white neck. To show his happiness and demonstrate the fact that he was strong again, the white horse rose high on his

hind legs then came down without a jar He would prove to this white man who had defended him that he was glad to have a friend High Silver the man cried out High up again Trying to understand what the man on his back wanted Silver repeated his rearing action He heard the happy laugh of his rider Now big fellow the man called out let s travel Away there Silver For a moment the white horse couldn t comprehend Then he felt a nudge from the heels of the man on his back Hi there you Silver horse away Silver moved ahead carrying his master He was desperately anxious to do what this man wanted Eager to show his happiness at the finding of a friend As he moved he heard shouts of encouragement That s it Silver Hi you Silver away The horse moved faster Another shout this time contracted Hi Yo Silver Away Silver broke into a run Now he knew what the master wanted At the next shout the big stallion gave all his strength in a burst of speed that made his snowy figure like a flash of light across the open plains The shout was one that later rang throughout the West the clarion call the tocsin of a mystery rider who wore a mask Hi Yo Silver Away y y y *The Lone Ranger* Jennifer Warner,2012-08-08 For over 75 years the Lone Ranger and his companion Tonto have been an active part of pop culture This book traces the Lone Ranger from his early days on WXYZ radio and continues to the present day with the upcoming release of Disney s *The Lone Ranger* starring Johnny Depp Along the way it gives plenty of trivia and gossip and the heroic character The book recaps all the major moments in the Lone Rangers life provides a list of every character and provides a reference of every Lone Ranger book publication The book also explains the Lone Ranger Green Hornet connection and gives a history of the comic book series LifeCaps is an imprint of BookCaps tm Study Guides With each book a lesser known or sometimes forgotten life is is recapped **The Lone Ranger Rides Again** John Paulits,2020-11 After the horrific events of Bryant s Gap the Lone Ranger has forsworn family and along with his faithful Indian companion Tonto dedicated himself to bringing the majesty of the law as well as civilized behavior to the West A murderous bank robber and the deadly Black Star organization the pillaging of a church a broken down gunfighter and a murder suspect with a perfect alibi challenge the mettle of the Lone Ranger Come along for adventure as *The Lone Ranger Rides Again* **The Lone Ranger Rides Again, Med Cruise 83-84** Fahrion (Ship : FFG-22),1984* *Serials and Series* Buck Rainey,2015-06-08 While many fans remember *The Lone Ranger* Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis **The Lone Ranger Rides North** Fran Striker,George W.
