The Mansion Illustrated:

The Mansion Henry Van Dyke, 2011-09 Artist's statement In a tale similar to A Christmas Carol the wealthy John Weightman is generous to others but for the wrong reasons He is seeking the praises of men rather than doing the acts in secret In a vivid vision John is taken to the Kingdom of Heaven where he sees many others who lacked in worldly wealth receiving grand mansions When he is taken to his own heavenly reward he is disappointed in the lean to shack He learns that because he received the praises of men for his good works there was nothing left with which to build his mansion In a true story of redemption Weightman changes his ways and learns the true meaning of charity Vamp Tramp Booksellers LLC website viewed October 8 2014
