**Receiving Systems** Edwin Herricks, 1995-07-25 The primary focus of stormwater and urban runoff research during the past twenty five years has been on the physical description and the chemical quality assessment of runoff events and the design and implementation of the best management practices to control these events There is a definite need for more effective

integration of receiving system issues in the management and regulation of stormwater runoff This book successfully brings together a diverse group of environmental specialists to address the issues surrounding the assessment management and control of stormwater and more specifically urban runoff from a receiving system perspective The book s emphasis on the receiving system is timely coming during a period when the U S Environmental Protection Agency is placing increasing emphasis on wet weather conditions through a new permit program for stormwater runoff and a policy on combined sewer overflows Stormwater Runoff and Receiving Systems covers biocriteria assessment of receiving water integrity and integrated watershed analysis all aspects of current water quality management programs for both industrial and municipal areas More than thirty chapters are divided into six sections offering in depth discussions on various issues relating to stormwater urban runoff and receiving systems impacts uncertainty and risk study design impact mitigation and issues analysis Anyone who deals with regulatory programs requiring stormwater effect assessment including more than sampling and analysis of chemical water quality parameters in effluents will find this reference particularly useful

**Training For Armageddon** Richard D. Merritt, 2018-01-09 Over the past 225 years the oak savannah at the mouth of the Niagara River designated as a Military Reserve but regarded by the local citizenry as their common lands has witnessed a broad spectrum of military political and cultural happenings Perhaps most compelling is the story of Niagara Camp established in the 1870s on the Reserve as the summer camp for Military District 2 By the eve of the Great War this District that encompassed most of central Ontario from Niagara to Sault St Marie including Toronto Hamilton and St Catharines was the most populous and patriotic District in all of Canada Niagara Camp and the training that went on within it endeavoured to prepare over 50 000 young men for the Overseas Canadian Expeditionary Force however the Camp s vigorous daily routines comprehensive instruction and discipline could not ready them for the horrors of the Western Front and Armageddon Many never returned In 1917 Niagara Camp also became the unique training centre for 22 000 Polish Army volunteers American and Canadian boys eager to fight for a distant land many had never set foot on The horrific Spanish Flu Pandemic soon followed with dire consequences for the soldiers and their volunteer caregivers Niagara was also a training camp for Canada s ill fated and little known Siberian Expedition Remarkable sagas are recounted of some of the Camp s veterans On the centennial of the Great War this in depth recognition of the brave young volunteers during their preparation for war is long overdue
