Dick Eastman, 2021-08-17 Prompted by a friend to describe Jesus as he is not as he was or will be in the coming days Dick Eastman found himself stammering What followed over many months was a desire to get to know the Jesus who had changed his life but in a much fuller and richer way now From then on on scraps of folded paper in his pockets Eastman found himself recording adjectives describing the nature and character of Jesus Christ expanding them later into a personal devotional journal Reflecting Eastman's spiritual journey this book of insights will challenge you to see Jesus as you may never have seen him before Eastman's approach to studying the nature and names of Jesus will bring you closer to your Savior Each day of this enriching 31 day resource consists of Scripture a short exposition insights from Christian leaders a prayer and a practical application to help deepen your faith You too will find Jesus awesome Interpersonal Reconciliation between Christians in a Shame-Oriented Culture Mano Emmanuel, 2020-11-30 Interpersonal conflict is one of the greatest threats to the health and growth of the church worldwide Yet despite their best intentions Christian leaders often discover that the cause of recurring conflict remains unclear and prescribed techniques for conflict resolution are ineffective in their communities In this Sri Lankan case study Dr Mano Emmanuel examines the specifics of interpersonal conflict within a shame oriented culture Taking an interdisciplinary approach she incorporates cultural anthropology missiology and communication studies into her

analysis identifying seven aspects of culture that must be addressed if reconciliation is to be fully experienced in the Sri Lankan church Highlighting the parallels between contemporary honor shame cultures and the honor shame context of the New Testament the author provides specific suggestions for experiencing biblical reconciliation while maintaining cultural sensitivity and protecting the honor of those involved

The Jihad of Jesus Dave Andrews, 2015-05-29 We are caught up in the cycle of so called holy wars In The Jihad of Jesus Dave Andrews argues that while this inter communal conflict is endemic it is not inevitable Depending on our understanding our religions can be either a source of escalating conflict or a resource for overcoming inter communal conflict and for our religions to be a resource for overcoming conflict we need to understand the heart of all true religion as open hearted compassionate spirituality In the light of an open hearted compassionate spirituality we can reclaim the word jihad from extremists who have misappropriated it as a call to holy war and reframe it in truly Qur'anic terms as a sacred nonviolent struggle for justice and we can reconsider Jesus as he is in the Gospels not as a poster boy for Christians fighting crusades against Muslims but as a strong but gentle Messianic figure who can bring Christians and Muslims together As this book shows many Christians and Muslims have found Isa Jesus and the Bismillah celebrating the mercy grace and compassion of God as common ground upon which they can stand and work for the common good The Jihad of Jesus is a handbook for reconciliation and action a do it yourself guide for all Christians and Muslims who want to move beyond the clash of civilizations join the jihad of Jesus and struggle for justice and peace nonviolently side by side
