

The Twelve Steps

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong, promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The Soul of Sponsorship Robert Fitzgerald,2011-03-04 The Soul of Sponsorship explores the relationship of Bill Wilson cofounder of Alcoholics Anonymous and his spiritual adviser and friend Father Ed Dowling Many might consider that such a remarkable individual as Bill Wilson who was the primary author of AA literature would be able to deal with many of life s problems on his own Reading The Soul of Sponsorship will illuminate and answer the question of how Father Ed an Irish Catholic Jesuit priest who was not an alcoholic was able to be of such great help to Bill Wilson Part of AA s Twelfth Step reminds us to carry this message to alcoholics and The Soul of Sponsorship illustrates how sober alcoholics still need the principles of the Twelve Steps brought to them by friends sponsors and spiritual advisers Some of the problems faced by Bill Wilson were depression in recovery dependency issues whether or not to experiment with LSD the place of money and power in AA knowing God s plan and will learning from mistakes Father Ed taught Bill the importance of discernment In Father Ed s Jesuit tradition discernment was a gift passed down to him from St Ignatius the founder of the Jesuits who described his own struggle with discernment in The Spiritual Exercises of St Ignatius The Twelve Steps of AA and The Spiritual Exercises of St Ignatius presuppose that there is a caring God whose will can be known The act of tuning in to God s action at one s center is discernment The big question is how do you know your Higher Power is speaking and revealing Himself through your feelings and desires For the good of AA and himself Bill learned to listen to his desires be aware of his inner dynamics and tune into the action of God within Doing this meant learning to recognize and identify his personal movements those inner promptings and attractions often called emotions or affections which are part of ordinary human experiences The person who helped Bill grow in discernment was Father Ed the Jesuit priest with a cane who limped into the New York AA clubhouse one sleet filled November night in 1940 The two fellow travelers Father Ed Dowling and Bill Wilson gave each other perhaps the greatest gift friends can give calling on each to know who he is before God *Not Just Recovered but Delivered Ii* Dr. Anthony Lightfoot,2010-09-09 This book is suggested to be a manual for any individual who is hurting has a habit or any hang up You may wondering why He is allowing you to go through this situation or circumstance because it does not feel good I know that you have imagined your life to be different than what it is and truthfully you believe that God does not really even care But I want you to know that He actually put you in that situation or circumstance because He wants other individuals to know who may be going through the same issues or problems that you are that He can and He definitely will deliver For He is still God no matter what Just know as Marvin Winans sings He has His hands on you All you have to do is give Him the praise for your deliverance right now Never ever give up and let Him have His way *Spirituality and Chemical*

Dependency Robert J Kus, 2014-01-02 Spirituality and Chemical Dependency shares current thinking on how spirituality is used in recovery from alcoholism and other forms of chemical dependency The 12 Step programs have been the most successful form of treatment thus far you will find the insight in this book to be revealing as to why Each of the contributors has devoted a significant part of his or her life to help those suffering from chemical addiction In each chapter the author gives ideas on specific aspects of spirituality in the 12 Step context and answers the ever important question So what to provide guidelines for healthy spirituality in the addicted person Overcoming Your Alcohol, Drug & Recovery Habits

James DeSena, 2002-09-01 Recognizing that an addiction to 12 step programs can be just as dangerous as an addiction to alcohol or drugs this book provides techniques to counter the self defeating beliefs that lead to addiction It enables those who have gone through Alcoholics Anonymous Narcotics Anonymous and formal 12 step addiction treatments to overcome the self destructive beliefs and attitudes that these programs promote These include the idea that addicts and alcoholics are powerless the belief that addiction is an incurable disease the assertion that people who slip inevitably lose control and the notion that those who reject the 12 step approach are doomed Devoted to helping individuals indoctrinated in 12 step dogma recognize their destructiveness this book provides effective psychological techniques to vanquish negative thinking and help individuals regain control of their lives
