Paul Kellogg, 2021-11-05 Just north of the Arctic Circle is the settlement of Vorkuta a notorious camp in the Gulag internment system that witnessed three pivotal moments in Russian history In the 1930s a desperate hunger strike by socialist prisoners victims of Joseph Stalin's repressive regime resulted in mass executions In 1953 a strike by forced labourers sounded the death knell for the Stalinist forced labour system And finally in the late 1980s and early 1990s a series of strikes by new independent miners unions were central to overturning the Stalinist system Paul Kellogg uses the story of Vorkuta as a frame with which to reassess the Russian Revolution In particular he turns to the contributions of Iulii Martov a contemporary of Lenin and his analysis of the central role played in the revolution by a temporary class of peasants in uniform Kellogg explores the persistence and creativity of workers resistance in even the darkest hours of authoritarian repression and offers new perspectives on the failure of democratic governance after the Russian Revolution

Congress. Senate. Committee on Education and Labor,1936 Howe's Complete Ball-room Hand Book Elias Howe,1858 To demonstrate the authority of this manual the publisher claims the author to be American inventor Elias Howe Similar to many other dance manuals published throughout the nineteenth century this book is a publisher s compilation of other sources The book begins with a description of ballroom etiquette dress appropriate music and rules for prompts The manual continues with discussion of the era s most popular dances including quadrilles waltz polka schottisch gorlitz polka mazurka country dances and figures for forty two French Fancy Cotillons also known as the cotillon or German a group dance performed as a series of party games usually to waltz music *Jonathan's Shield* Channing Turner,2016-03-22 Beral s only goal is to serve loyally as Jonathan s shield bearer and protect his prince through whatever battles may come But Jonathan needs a friend as well a man he can trust while navigating the precarious footing of his father s court Being that friend puts Beral s life in danger and stretches his loyalty to the breaking point For what Jonathan wants is to do Yahweh s will whether that be through defying his increasingly paranoid father King Saul or supporting the aspirations of young David whom Jonathan believes is the rightful heir to the throne As he competes with David for the hand of the king s daughter Beral struggles to hold true to his loyalties even while he watches King Saul descend into madness If Yahweh withdraws his protective hand Beral and his men will be all that stand before their gathering enemies Only one thing is certain Beral s fate as well as the future of Israel is tied to the virtue of their king and Saul s honor has long since fled Dynamic Physical Education for Secondary School Students Heather Erwin,Timothy A. Brusseau (Jr.),Paul W. Darst,Robert P. Pangrazi,2020-07-30 Dynamic Physical Education for Secondary School Students provides PETE students a solid conceptual foundation for creating healthy learning environments and quality physical education programs This resource offers a wide variety of units and activities that enhance learning **Religious Voting in Western Democracies** José Ramón Montero,Paolo Segatti,Kerman Calvo,2023-06-14 This book offers a systematic exploration of the role of religion and religiosity in electoral politics in Catholic Protestant and religiously mixed countries across Western Europe and in the United States The chapters approach the relationship between religion religiosity and

electoral behaviour from a variety of different angles They include analyses of secularization trends comparative studies of the links between vote choice and religiosity longitudinal single country studies and a novel discussion of the theoretical underpinnings of the politicization of religion that provides a radically new framework for the analysis of the role of religiosity in election studies The volume shows that despite the expectations of secularization theory religiosity remains relevant when casting votes It also argues that the traditional notion of religious cleavage should be replaced with the more accurate idea of religious voting Chapters draw on National Election Studies data and comparative datasets such as European Values Studies EVS European Social Surveys ESS and European Election Studies EES to empirically test expectations regarding religious voting The results show that variations in religious voting are conditional on both the agency of political and ecclesiastical leaders when politicizing religious issues and the legacies of previous societal and political religious conflicts regardless of whether the original party system had a predominant religious cleavage

Not Here Rob Goodman, 2023-08-15 What does it mean to live beside an eroding democracy As this powerful and timely book argues that question will define the next generation of Canadian politics As a congressional staffer in the United States Rob Goodman watched firsthand as a rising authoritarian movement disenfranchised voters sabotaged institutions and brought America to the brink of a coup Now as a political theorist who makes his home in Canada he has an urgent warning for his adopted country The same forces that have upended democracy in America and around the

world are on the move in Canada too But we can protect our democracy by drawing on a set of political cultural and historical resources that are distinctly of this place In Not Here Goodman outlines four such resources First the rejection of the dangerous idea of one real Canadian people Second the refusal of political charisma and founder worship Third a set of social programs embattled but still standing that empower neighbours to see one another as equals And fourth Canada s longstanding search for an identity separate from the great power with which it shares a continent Today that great power is a democracy in decline and so defending what makes Canada distinct matters more now than ever before Canadian difference is not a curiosity a luxury good or a vanity item It is a democratic immune system Laying bare the historical roots of today s politics and making an urgent case for action Not Here is a roadmap for safeguarding a democracy under unprecedented threat *Clinton Anderson's Downunder Horsemanship* Clinton Anderson,2025-11-04 If you have seen his weekly television program Downunder Horsemanship then you know that Clinton Anderson s training techniques can achieve amazing results with almost any horse Now his methods are available for the first time in a reader friendly highly illustrated book and you too can learn the program that teaches everyday people regardless of riding style age or ability how to better communicate with their mounts **Youth Ministry Strategies** Michael Theisen,2000-09-16 Sixty five field tested creative activities complement the Horizons core curriculum and minicourses Ideas for community building activities and games prayer experiences and rituals liturgical celebrations and service projects center around six thematic sections Engage your youth to make Christ s teachings relevant and fun
