Resources in Education ,1992-02 Command and Control Eric Schlosser, 2014-08-26 The Oscar shortlisted documentary *Command and Control* directed by Robert Kenner finds its origins in Eric Schlosser's book and continues to explore the little known history of the management and safety concerns of America's nuclear arsenal A devastatingly lucid and detailed new history of nuclear weapons in the U S Fascinating Lev Grossman TIME Magazine Perilous and gripping Schlosser skillfully weaves together an engrossing account of both the science and the politics of nuclear weapons safety San Francisco Chronicle A myth shattering exposé of America's nuclear weapons Famed investigative journalist Eric Schlosser digs deep to uncover secrets about the management of America's nuclear arsenal A groundbreaking account of accidents near misses extraordinary heroism and technological breakthroughs *Command and Control* explores the dilemma that has existed since the dawn of the nuclear age How do you deploy weapons of mass destruction without being destroyed by them That question has never been resolved and Schlosser reveals how the combination of human fallibility and technological complexity still poses a grave risk to mankind While the harms of global warming increasingly dominate the news the equally dangerous yet more immediate threat of nuclear weapons has been largely forgotten Written with the vibrancy of a first rate thriller *Command and Control* interweaves the minute by minute story of an accident at a nuclear missile silo in rural Arkansas with a historical narrative that spans more than fifty years It depicts the urgent effort by American scientists policy makers and military officers to ensure that nuclear weapons can't be stolen sabotaged used without permission or detonated inadvertently Schlosser also looks at the Cold War from a new perspective offering history from the ground up telling the stories of bomber pilots missile commanders maintenance crews and other ordinary servicemen who risked their lives to avert a nuclear holocaust At the heart of the book lies the struggle amid the rolling hills and small farms of Damascus Arkansas to prevent the explosion of a ballistic missile carrying the most powerful nuclear warhead ever built by the United States Drawing on recently declassified documents and interviews with

people who designed and routinely handled nuclear weapons Command and Control takes readers into a terrifying but fascinating world that until now has been largely hidden from view Through the details of a single accident Schlosser illustrates how an unlikely event can become unavoidable how small risks can have terrible consequences and how the most brilliant minds in the nation can only provide us with an illusion of control Audacious gripping and unforgettable Command and Control is a tour de force of investigative journalism an eye opening look at the dangers of America s nuclear age

Exposed Ben Malisow,2020-10-23 Discover why privacy is a counterproductive if not obsolete concept in this startling new book It s only a matter of time the modern notion of privacy is quickly evaporating because of technological advancement and social engagement Whether we like it or not all our actions and communications are going to be revealed for everyone to see Exposed How Revealing Your Data and Eliminating Privacy Increases Trust and Liberates Humanity takes a controversial and insightful look at the concept of privacy and persuasively argues that preparing for a post private future is better than exacerbating the painful transition by attempting to delay the inevitable Security expert and author Ben Malisow systematically dismantles common notions of privacy and explains how Most arguments in favor of increased privacy are wrong Privacy in our personal lives leaves us more susceptible to being bullied or blackmailed Governmental and military privacy leads to an imbalance of power between citizen and state Military supremacy based on privacy is an obsolete concept Perfect for anyone interested in the currently raging debates about governmental institutional corporate and personal privacy and the proper balance between the public and the private Exposed also belongs on the shelves of security practitioners and policymakers everywhere **Monthly Catalog of United States Government Publications** ,2000
