Lung, 2019-09-24 Are you preparing for the TMC Exam? If so, did you know that going through practice questions is one of the most effective strategies that students are using to pass the exam? That is exactly why you need to grab a copy of this book. Inside we're going to share 35 of our best TMC Practice Questions with you. All of course covering the one of the most important sections of the exam: Pathology. Each practice question in this book also comes with a detailed rationale that explains exactly why the answer is correct. Not to mention it also explains why the other answer choices are wrong. This is so important when it comes to actually learning the information that you need to know. So if you're ready to master Pathology, I'll see you on the inside. About the Author: Johnny Lung, the founder of Respiratory Therapy Zone, is a Registered Respiratory Therapist who has helped thousands of students pass the licensure board exams through books, videos, study guides and online courses. You can learn more by going to RespiratoryTherapyZone.com. What Students are Saying: I passed it on my first attempt just like you said, Deanna H. They helped me pass boards on my first attempt and thankfully they're much more affordable than the other study guides out there. Joy A. I love their practice questions. I highly recommend their resources for the TMC Exam and Clinical Sims. Megan L. Their practice questions are challenging and really make you think. So helpful. Susanna H. They keep the information basic and easy to understand without all the complicated nonsense. I highly recommend their stuff for the board exams.
