Brunner, President and CEO, Glaucoma Research Foundation. Inside you'll learn: The specific characteristics and issues associated with various types of glaucoma and what to expect from each; Common mistakes glaucoma doctors and patients make that can have a lifelong impact on your sight and strategies for avoiding them; Insights into the pros, cons, and overall risks associated with the wide range of treatments available plus guidance on deciding which treatment might be best for you; How to confidently confront the concerns many glaucoma patients struggle with; Proven step-by-step strategies glaucoma patients can use for controlling and countering stress and much more.
