The Tell Tale Heart 1843 Is a short story told by an unnamed narrator who endeavors to convince the reader of his sanity while describing a murder he committed The murder is carefully calculated and the murderer hides the body by dismembering it and hiding it under the floorboards

Fall of the House of Usher 1839 As in all of Poe s short stories The Fall of the House of Usher concentrates on a single effect in this case the degeneration and decay of the Usher house and family

The Cask of Amontillado 1846 The story is set in a nameless Italian city in an unspecified year and is about the narrator s deadly revenge on a friend who he believes has insulted him The narrative revolves around a person being buried alive in this case by immurement

The Pit and the Pendulum 1842 The short story is about the torments endured by a prisoner of the Spanish Inquisition though Poe skews historical facts The narrator of the story describes his experience of being tortured The story is especially effective at inspiring fear in the reader because of its heavy focus on the senses such as sound emphasizing its reality unlike many of Poe s stories which are aided by the supernatural

The Tell Tale Heart 1843 It is told by an unnamed narrator who endeavors to convince the reader of his sanity while describing a murder he committed The murder is carefully calculated and the murderer hides the body by dismembering it and hiding it under the floorboards Ultimately the narrator s guilt manifests itself in the form of the sound possibly hallucinatory of the old man s heart still beating under the floorboards

The Masque of the Red Death 1842 The story follows Prince Prospero s attempts to avoid a dangerous plague known as the Red Death by hiding in his abbey He along with many other wealthy nobles has a masquerade ball within seven rooms of his abbey each decorated with a different color In the midst of their revelry a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms

The Black Cat 1843 It is a study of the psychology of guilt often paired in analysis with Poe s The Tell Tale Heart In both a murderer carefully conceals his crime and believes himself unassailable but eventually breaks down and reveals himself impelled by a nagging reminder of his guilt

The Murders in the Rue Morgue 1841 It has been recognized as the first detective story C Auguste Dupin is a man in Paris who solves the mystery of the brutal murder of two women Numerous witnesses heard a suspect though no one agrees on what language was spoken At the murder scene Dupin finds a hair that does not appear to be human

American author Edgar Allan Poe 1809 1849 defined the genre of macabre story telling in the first half of the 19th century Poe known for psychologically thrilling tales with morbid undertones is generally considered the

inventor of the detective fiction genre He is further credited with contributing to the emerging genre of science fiction Today it is regarded as an early and supreme example of Gothic horror and still stands out among the author s many well known works *The British Film Catalogue* Denis Gifford,2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars *British Film Catalogue* Denis Gifford,2016-04-01 First published in 2001 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars *The Tale of Terror* Edith Birkhead,1921 A history of the thriller from myth and folk tale through Walpole and Mrs Radcliffe to Poe and Le Fanu *The Tell Tale* ,1940 **The British Film Catalogue, 1895-1970** Denis Gifford,1973 *Catalogue of Copyright Entries ...* Library of Congress.
