needs to make their work more effective The information for more than 100 profiles was compiled from a series of questionnaires and from interviews conducted by Monti Aguirre and Glenn Switkes during their filming of AMAZONIA Voices from the Rainforest a documentary for which this publication is intended as a companion guide Some 150 activist organizations working on Amazonian issues in Latin America Europe North America and in the Asia Pacific region as well as resource groups of funders researchers and technical specialists responded to similar questionnaires **Catalogue of the Population Council Library, New York: Subject catalogue** Population Council.
