Soccer Training Guide:

Soccer: The 6-Week Plan Thorsten Schmugge, Toto Schmugge, 2016-11-28 Soccer coaches need to train practice and drill players on passing dribbling shooting tactics and much more But they often have a hard time finding the best exercises to create a good team Toto Schmugge a former professional soccer player from Germany has created the perfect 6 week plan to help coaches of any skill and experience level give their team a competitive edge and gain confidence as a coach This plan is especially adjusted to help during pre season training These practical training programs were created by professional soccer players and coaches and can be applied to any team Regardless of the age or talent of the players with these exercises they will learn techniques and tactics and improve their strength speed endurance and agility The exercises are described in detail and very easy to follow Illustrations for every exercise provide the coach with visual aids to explain the drill With Toto's guide any team will become more successful

Soccer Training Dylan Joseph, 2018-05-17 If you are NOT interested in being a better player coach or parent of a soccer player this book is NOT for you With game proven methods to score more against any team this is your manual for success How teams play is unpredictable or is it Through countless hours of practice training and experience soccer's elite have shown consistent patterns of in game skills that when applied will lead to very predictable outcomes more goals more assists and more wins Learn the keys to being a better soccer player through warm ups instructional drills and exercises to sharpen your skills that take advantage of the human anatomy an unshakable mindset and proper form for all areas of soccer In Soccer Training there are 14 chapters with well over 100 tips from scoring to defending fitness to nutrition and on the field tactics to boosters for your free time Each is broken down in a way that answers the question How can I use these steps to prepare for and use during every game that I play Learn what coaches do not teach not because they do not care but because they just don't know Often coaches emphasize the team's abilities while giving little to no time and minimal volume to the skills of each individual It is just as essential to develop the players within the system This book is a high level overview of the areas that can take a player from being a bench warmer to MVP In a day and age where many so called experts advice is to improve your conditioning get more touches try harder and you need to want it more this book stands out on delivering the steps to turn any player into a great performer Who this book is for The defender who does not know which direction to push an attacker or how to position their body correctly The midfielder who does not get enough assists and is not considered to be the team's playmaker The striker attacker forward who does not score at least 2 goals a game The soccer player who needs a surefire confidence boost that can only come from game ready knowledge The parent who loves their child playing such a beautiful sport but hates to see them struggle with a lack of confidence in what to do The coach who only focuses on team drills but knows that their squad can go further if their shooting power passing form and foot skills improved through the correct methods and increased IQ Outcomes of applying the facts in this book Understand how to beat a defender every time plus a few skills to avoid Condition your mindset to

become one of a winner Remove the toxic habits you need to break Correctly understand soccer to unlock everything you need to know about for every age including boys girls kids teens young adults men and women You may ask why should I order this book versus watching free YouTube videos Well though YouTube can be used to supplement this book because videos show visual representations of the skills covered each video is often unorganized and the order in which you watch the videos is NOT structured at all This book provides that structure to ensure that you are not just getting a little information in one spot and some knowledge in another without being able to understand the entire picture of how it all works together It gives every player the ability to walk onto a field and know that 1 your team will win and 2 you will lead them to victory The skills you develop will move you forward in your playing career Soccer Training contains the facts that will empower every player trainer mom and dad Please note this is not a picture book It is time for hours of SOCCER TRAINING to pay off Become the player coach or parent that changes every game from here on out Pick up your copy today by clicking BUY NOW
