Last Light CJ Lyons, 2016-02-03. New York Times Bestselling Author. Combine Dirty Harry with a loving wife and mother, and you might end up with Lucy Guardino. RT Book Reviews. Lucy has always seen herself as a normal Pittsburgh soccer mom who happened to have a job chasing the worst of the worst. But after a violent predator targets her family and she's injured, Lucy sacrifices her career with the FBI in order to keep her family safe. What is she now that she's no longer a FBI Special Agent? She ponders the question as she begins her new job with the Beacon Group, a private consulting firm that specializes in cold cases and bringing justice to forgotten victims. Lucy fears she's traded being a kick-ass law enforcement officer for being a civilian mother hen, shepherding a team of amateurs. Her fears appear justified when she's partnered with TK O'Connor, a former Marine MP struggling with her transition to life back home and sent to rural Texas to investigate a case that's more than cold; it's already been closed with the killers behind bars for the past twenty-nine years. But who really killed Lily Martin, her infant daughter and husband? Why was an entire family targeted for annihilation? And what price will Lucy pay for exposing a truth people will kill to keep buried? Taut. Readers will eagerly look forward to Lucy's next outing. Publishers

particular This book is not necessarily written to convert anyone to a recognition or belief in our creator but if such were to be the case that s all to the good Rather the book is meant to provide the reader with some logical and thoughtful reasoning concerning those who do believe in a creator and those who proclaim that such does not exist We don t wish to sell anyone on anything especially any particular belief system The purpose is to acquaint the reader with the rich heritage of theistic and anti theistic thought that many of us both those living and those not have had to say on the subject Today not all but a majority of atheists are liberals progressives far leftists socialists and communists Mostly they are markedly un patriotic few hunt and fewer under fifty ever served in our armed forces As a group they divorce more often than Christians voted for obama and espouse and support such nebulous issues as social justice and the nihilistic occupy movement Few of them have any real knowledge of the bible or religion and therefore don t really understand what it is they are professing not to believe in Having spent many decades as an airline pilot I have had countless occasion to gaze at the stars and wonders of our world and our universe Of all my many compatriots those who shared my skies I would say that none were or are atheists or agnostics The wonders and balance of nature and the marvelous physics of flight present the truths of our creator in ways simply too overwhelming to discount Some of the lost souls in non believer camp have the gift of intellect and it is for them this book is written I ask those prescient few to thoughtfully examine their anti theist positions in light of the concepts thoughts and facts we present If even one of them comes to the realization of their Creators realty the book will have served its purpose The title of the book is of course insulting to those who do not share my beliefs and it is purposely so If you reject the notion of our Creator I wish the book to give you pause It can only be through ignorance serious error and lack of imagination that an individual can adopt the negative and empty mindset of the anti theist Sadly however I have learned that the majority of atheists are indeed stupid and that such a level of reasoning is forever beyond them Be you one I offer no hope go your lonely way then
