

US History (1877-Present) TeXes Notes

1. The West and Gilded Age 1877-1900

Homestead Act of 1862 and Transcontinental Railroad

Granger Laws: Laws passed in the late 1860s and 1870s to prevent railroads from taking advantage of farmers through price manipulation.

The Homestead Act and the completion of the Transcontinental Railroad helped fulfill the United States' commitment to Manifest Destiny and contributed to the closing of the U.S. frontier.

A number of factors fueled migration west. Trappers, settlers, and miners headed West from the eastern United States prior to the Civil War. The Homestead Act, passed in 1862, allowed settlers to claim 160 acres of land for free. Another important factor was completion of the first transcontinental railroad in 1869; the railroad led to much more rapid western migration and also facilitated economic development.

—Westward Expansion, Library of Congress

The Homestead Act was passed in 1862 to provide farms on the Great Plains and encourage western migration following Reconstruction.

That any person who is the head of a family, or who has arrived at the age of twenty-one years, and is a citizen of the United States, or who shall have filed his declaration of intention to become such,... and who has never borne arms against the United States Government or given aid and comfort to its enemies, shall... be entitled to enter one quarter section or a less quantity of unappropriated public lands.

—The Homestead Act, May 20, 1862

By making large amounts of land available to average citizens, the Act significantly changed land ownership in the United States and led to increased development of western lands. The Act also impacted the U.S. economy by opening unsettled regions to American settlers. Settlers on the Great Plains gained private property rights, including control over the water supply on their
