Volunteer Service Abroad Co Nz:

FINDING JOBS Bonnie Baabu, 2016-12-05 Finding Jobs is a book that is solely designed to assist fresh grads and industry professionals during their job search journey. A deliberate attempt is made to link technology with real job search scenarios. This book gives readers a realistic view of what they can expect from today's job market. A lot of emphasis is given on technology and how it is impacting today's hiring scenario. Interesting topics to read: Building great Communication etiquette, Managing social professional media channels, How to manage a potential employer research effectively, Social Networking, Face to Face Networking 101, How to digitally clean your online profile page, Innovations in HR, what to look out for. Consider this book as a preparation guide before you embark on your job search journey. This book definitely opens up doors for discussion on new technological changes that are well hidden from the outside candidate market. It further motivates candidates to adapt and use ongoing technological changes to their advantage to enhance their candidature skills. Reference files: The end chapters provide global website links and references for 100 job sites to be explored by job seekers keen on identifying local or international assignments.
