The Dead Duke, His Secret Wife, and the Missing Corpse Piu Eatwell,2015-10-01 A Book Riot Best Book of the Year Goodreads Choice Award Finalist History Biography It s Downton Abbey meets The Addams Family in this delightfully offbeat history Library Journal At the close of the Victorian era as now privacy was power The extraordinarily wealthy 5th Duke of Portland had a mania for it hiding in his carriage and building tunnels between buildings to avoid being seen In 1897 an elderly widow asked the court to exhume the grave of her late father in law T C Druce under the suspicion that he d led a double life as the 5th Duke The eccentric duke Anna Maria contended had faked his death as Druce and her son should inherit the Portland millions Revealing a dark underbelly of Victorian society Piu Marie Eatwell evokes an era when the rise of sensationalist media blurred every fact into fiction and when family secrets and fluid identities pushed class anxieties to new heights Jarvis's Physical Examination and Health Assessment Laboratory Manual -EPUB3 EPUB Kathleen Blair,Mel

Inspiring Meditations to Help Us Get Through These Difficult Times Danny Ray Christian, 2020-05-13 The two most powerful words in the world are I AM for anything we say after I AM we will believe and make come true as we truly are whatever we say we are If we say we are victors over this virus we will prove it by conquering it with the faith and wisdom God gives us Four other words that are as powerful as I AM are I believe in you These four words have helped shepherd boys bring down giants and dreamers to shape history What we believe about ourselves and each other is what is going to get us through this crisis We have been commanded by God to speak to the mountain we want moved out of our way This is a book that speaks to the warrior in every man woman and child that is threatened by the Coronavirus or any other stealer of life In times of trouble and darkness a standard must always be raised up to lead the people in battle I perceive this book as being a beacon to guide us safely through this storm No enemy prevails over the wall of our faith for as he tries to scale its walls we raise our faith to a higher level forever determined to not let him supersede it For every attack of the enemy we have a defense under the cover of God's wing which holds us as close to Him as He is to us The right words at the right time can always spark a new hope and outlook for anyone who is being tried by adversity This book may not stop this pandemic but I believe it can give us a reason to believe that it will be brought to an end soon enough Just as we have gathered around the camp fire and fireplace in the past while the vigil candle burned in the window we can gather around the words of this book to draw comfort and encouragement from people who know what it is to be tried by fire without being consumed This is a small book but the inspiring quotes and meditations in it are big they can do the soul good like a medicine if we take them with a little a faith in the strength they offer
