The X-Manual Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church's New Testament healing and evangelism ministry It is time for the church to walk in the authority

and power that Christ gave us to set the captives free

A Minister's Manual for Spiritual Warfare Mark A.

Quay, 2015-12-17 A Minister's Manual for Spiritual Warfare is written to assist pastors and other ministers help their parishioners find freedom from demonic oppression. It is based upon years of experience and research and was written in consultation with orthodox, highly credentialed theologians, biblical scholars, clinicians, and attorneys. It is written from an evangelical Anglican perspective but it will also be useful for other traditions. The manual describes various kinds of demonic attacks and discusses the reasons to involve medical and mental health professionals. Providing practical guidance for the deliverance ministry, it includes diagnostic procedures, insight into the makeup and training of a ministry team, the appropriate use of liturgies, pastoral care for victims and deliverance ministers, and legal considerations. The book devotes special attention to exorcisms, emphasizing the importance of a teamwork approach and the necessity of thorough preparedness, including an awareness of different strategies which demons may use to thwart exorcists. Rounding out the manual is a series of accessible, biblical, step-by-step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must-have for any Christian minister involved in deliverance ministry.

Manual for the Awakening Warrior Joel Levey, Michelle Levey, 2025-09-16

Reveals the once classified story of the most advanced biocybernautic training in the history of the U.S. Special Forces. Shares the Jedi Warrior Training Program, blending Aikido warrior wisdom and psychospiritual skills for mastery and self-transcendence. Teaches skills to develop your inner special forces, awaken courageous presence, and respond wisely to complex challenges. Imagine training twenty-five elite soldiers whose actions could start or stop the next world war. What would you teach them? The authors once faced this profound question in creating the U.S. Army's Jedi Warrior Training Program. This book details this secret program described by West Point leaders as the most exquisite orchestration of human technology we have ever seen. The comprehensive Jedi training encompassed intensive meditation, mindfulness, neurofeedback, and cyberphysiology, energy healing, Aikido, and mission simulations. Emerging at the pinnacle of the psychic ops era of research into extraordinary human abilities, the program was founded on the Army's vision of Evolutionary Tactics. A Manual for the First Earth Battalion. George Leonard and Michael Murphy, cofounders of Esalen, epicenter of the human potential movement, called it the most intensive leadership and human development training program in modern times. Designed for elite soldiers, the practices in this training are valuable for everyone aiming to heighten focus, deploy ethical discernment, and cultivate responsive awareness and kindness. Learn how to befriend your inner enemies, avoid self-sabotage and ambush by distractions, and respond skillfully to challenges with deeper courage and compassion. With these teachings, readers can awaken the strength to transform the battlefield of daily life into a zone of peace and navigate these uncertain times with grace, wisdom, and courage.
