Its Causes and Cures David Martyn Lloyd-Jones, 1965 Spiritual Depression David Martyn Lloyd-Jones, 1970 **Is Faith Delusion?** Andrew Sims, 2009-05-09 How in a scientifically and technologically advanced age can people still believe in God Andrew Sims examines both the connection and the division between Christian faith and psychiatry *Wait and Hope* Jacob Tanner, 2024-07-02 Jacob Tanner encourages us to learn how the Puritans endured immense suffering in various aspects of the Christian life **A New Day** Emma Scrivener, 2017-04-20 Can I break free from my eating disorder Why do I struggle with such anxiety Where can I go with my shame and despair Does my life have to be like this I m controlling and insecure and desperate to prove my own worth admits Emma Scrivener and then goes on I m a Christian but I don t always feel like it There are lots of how to books out there In terms of the practicalities of recovery they re brilliant What they don t address is the spiritual dimension However even when writing about spiritual recovery the author confesses that it s tempting to offer some sort of programme or strategy But I don t think I ve got one she says What she does offer are practical suggestions for how to apply core gospel truths to practical circumstances With honesty and examples from real life including her own Emma connects with her reader She shows how the gospel can speak to every heart and every addiction equipping readers with confidence in Christ s sufficiency and the power of his Word and Spirit to bring change where change seems impossible Why Do Bad Things Happen If God Is Good? Rhodes, Ron, 2004 When a cross section of Americans was asked If you could ask God one question and knew He would give you an answer what would you ask the top response was Why is there so much pain and suffering in the world Bible scholar speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist Debunking non Christian responses to the problem of pain Ron explores the unshakable biblical truths that provide a strong foundation in stormy times Believers who need a tonic for their faith caregivers who support

people in pain and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion **Flourishing in Tensions** Michael Bräutigam, 2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus s radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him Jesus s call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ s radical call into discipleship today Loving God through the Truth, Second Edition Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world **The Power of Revival** Dongjin Park, 2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In *The Power of Revival* Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones s writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism *The Power of Revival* sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit

Architectures of Grace in Pastoral Care Douglas B. Olds, 2023-05-23 An updating of virtue ethics for modern pastors and

the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena **Revitalize** Andrew M. Davis,2017-04-04 Church health is measured by more than just numbers but declining membership is often a key symptom of a church in crisis The pastor of a dying church doesn t need to be told it is dying he needs to find the way forward and he needs hope Author and pastor Andrew Davis offers readers the lessons he s learned in his own journey of leading church transformation including keeping Christ s ownership of the church central being humble choosing your battles wisely empowering godly men to join in leadership making prayer a priority focusing on the Word and more Church decline is not inevitable Revitalize gives pastors the spiritual support they long for and the practical advice they need to turn their churches around and position them for greater health in the future **Counseling One Another** Paul Tautges,2016-02-29 This paradigm shifting book helps believers understand the process of being transformed by God s grace and truth and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ Counseling One Another biblically presents and defends every believer s responsibility to work toward God s goal of conforming us to the image of His Son a goal reached through the targeted form of intensive discipleship most often referred to as counseling All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends children spouses and fellow believers providing them with a biblical framework for life and one another ministry in the body of Christ **The Gospel Is for Christians** Mitchell L. Chase,2010-09-30 The gospel must shape discipleship Non gospel messages do not foster spiritual growth Chase joins a growing group of leaders on mission to help the church rediscover the truth that the gospel isn t just the power of God to save us it s the power of God to grow us once we re saved **A Year in the Psalms** Brenton Cox,2015-10-20 If youre a Christian who has read the Bible over the course of a year congratulations But what do you do next if you seek a more in depth understanding of Scripture The next logical step is to go back to the Bible this time at a slower pace and study key sections of God s word in greater depth Author
