Spirits Spiritual Interactions:

Spirits and Spiritual Interactions Christopher E. Palmer, Ali Ries, 2010-12-02 SPIRITS SPIRITUAL INTERACTIONS
Spirits are real things They interact with us on a frequent and regular basis even though we usually aren't aware of them It's important that we recognize these spiritual interactions for what they are because they have powerful effects in our lives There are spirits of Light as well as spirits of Darkness and every spirit will work to influence us according to the kind of spirit that it is When we know how to recognize the presence and influence of spirits and how to remove and fortify against those that are Dark we can have a profound and deliberate influence on the outcome of these constant interactions When we remove the weight and inhibition caused by Dark spiritual forces around us we gain a greater ability to act and accomplish in every aspect of our life This book is about how to clearly recognize the influence of spirits both Light and Dark and how to remove and fortify against those that are Dark and the Darkness they bring These topics are addressed in a simple straightforward and non-mystical way OVERVIEW In this book we discuss the kinds of spirits that exist and the conditions of existence that they have been, are, and will be in We discuss the nature and disposition of the spirits around us and the prevalence of spirits that interact with mortals We also talk about many of the ways that the presence of the different kinds of spirits can be recognized and how to remove and fortify against Dark spirits and spiritual Darkness in general
