were Gluten sensitivity is a subject I had been tracking since 1991 shortly after my first book Brother Juniper's Bread Book came out Around that time Loree Starr Brown who had been a regular customer at Brother Juniper's Bakery came in one day with a box of homemade breads and muffins based on the recipes in my book but all made with rice flour instead of wheat flour They were delicious Loree proceeded to educate me about celiac disease a medical condition that nearly killed her before it was finally diagnosed and treated by removing all traces of gluten from her diet **Splenda No Calorie Sweetener** Publications International, Limited, 2004 Now you can indulge your sweet cravings This collection of recipes brings you great tasting recipes with fewer calories than full sugar counterparts So when you yearn for something sweet go ahead indulge yourself You can have sweetness without all the calories and carbohydrates of sugar *What You Should Know About Diabetes Prevention and Management* Helen H.
