Life Metaphor Poem

Example:

**Life is a piece of bubble gum. It starts off
fresh and juicy, with plenty of zip
and gallons of give, and a million bubbles just
waiting to be popped!
But then, the taste goes sour and turns to glue.
It sticks to your teeth and tightens your jaws.
And the only thing to do is toss it in the trash.**

Example:

**Life is a sleek cat with padded paws.
I scratch his neck and he purrs loudly.
Playfully he rolls over on his back
and I tickle his stomach.
He pretends to fight my hand, and I laugh.
Suddenly his claws reach out and slash my fingers.
His teeth rip my flesh.
He turns and darts away
and leaves me wondering.**

Readings in the Aesthetics of Sport Harold Thomas Anthony Whiting,D. W. Masterson,1974 **Religion and Sports in American Culture** Jeffrey Scholes,Raphael Sassower,2014-01-03 Religion and Sports in American Culture explores the relationship between religion and modern sports in America Whether found in the religious purpose of ancient Olympic Games in curses believed to plague the Chicago Cubs or in the figure of Tim Tebow religion and sports have been and are still tightly intertwined While there is widespread suspicion that sports are slowly encroaching on the territory historically occupied by religion Scholes and Sassower assert that sports are not replacing religion and that neither is sports a religion Instead the authors look at the relationship between sports and religion in America from a post secular perspective that looks at both discourses as a part of the same cultural web In this way each institution is able to maintain its own integrity legitimacy and unique expression of cultural values as they relate to each other Utilizing important themes that intersect both religion and sports Scholes and Sassower illuminate the complex and often publicly contentious relationship between the two Appropriate for both classroom use and for the interested non specialist Religion and Sports in American Culture brings pilgrimage sacrifice relics and redemption together in an unexpected cultural continuity
