

Monologue

(Curtains open to *An Unknown Character* standing on an empty center stage)

Unknown Figure

You know, I'm kinda sick of it. The pain. The hurt. The sorrow. 'The world is changing' so they say- but what do I have to do with it? Where will I ever come into the picture? Don't give me the '*Oh, everyone matters!*' crap either. Because I *don't* matter. The question is, does anyone? Sure, maybe Einstein or some world-changing soul, but I'm not either. I'm '*just a teenager*'. No one listens 'cos '*my body is going through some changes, hormones and crap*' they tell me. I think it's because they are scared we're right and we aren't them. But the thing is, it's always the same for me: *wake up, shower, get ready eat, go to school, come home, eat, go to bed, repeat*. Where's the world changing in that? What do I have to lose? What does *anyone* have to lose? Romance maybe, but I've been told I'll never find anyone. No one will miss me. Maybe for a month, but they will forget me. The world will keep going. The end. My best of wishes. Goodbye.

Your best and dearest friend,
No one

Springboard English 2 Monologue

Springboard English 2 Monologue:

The Top Books of the Year Springboard English 2 Monologue The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Springboard English 2 Monologue : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Springboard English 2 Monologue : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
