medical and magical practices of the high Middle Ages Love Cures argues that these practitioners as represented in romance have shaped modern notions of love Love Cures seeks to engage scholars of love marriage and magic in disciplines as diverse as literature history anthropology and philosophy A Need for Deception Emma James, 2001-10 In the summer of 1815 Tristan Davenport Viscount Henge is tired of racketing around London He goes to his uncle's Sussex estate Ravenslea in the hope that his uncle Sir Richard Fanshaw will teach him a bit about estate management There Tristan finds a warm loving family and is made welcome by all except one daughter Anna
