Trinity College Library Dublin A History Peter Fox:

Trinity College Library Dublin Peter Fox, 2014-04-24 This is the first comprehensive scholarly history of Trinity College Library Dublin It covers the whole 400 years of the Library's development from its foundation by James Ussher in the seventeenth century to the electronic revolution of the twenty first century Particular attention is given to the buildings and to the politics involved in obtaining funding for them as well as to the acquisition of the great treasures such as the Book of Kells and the libraries of Ussher Claudius Gilbert and Hendrik Fagel An important aspect is the comprehensive coverage of legal deposit from the beginning of the nineteenth century viewed for the first time from the Irish perspective The book also draws parallels with the development of other libraries in Dublin and with those of the universities of Oxford and Cambridge and features throughout the individuals who influenced the Library's development librarians politicians readers book collectors and book thieves *Essays on the History of Trinity College Library, Dublin* Anne Walsh, Vincent Kinane, 2000 Commissioned with the purpose of laying the groundwork for a full scale comprehensive history of the 400 year old library these 14 contributions explore core historical issues such as the buildings the staff and their conditions of employment the early collections and their book bindings the fun *Catholicity and the Covenant of Works* Harrison Perkins, 2020-08-01 A noted religious scholar and leader of Protestant thought James Ussher 1581 1656 helped shape the Church of Ireland and solidify its national identity in the seventeenth century In *Catholicity and the Covenant of Works* Harrison Perkins addresses the development of Christian doctrine in the Reformed tradition paying particular attention to the ways in which Ussher adopted various ideas from the broad Christian tradition to shape his doctrine of the covenant of works which he utilized to explain how God related to humanity both before and after the fall into sin **Ireland and the Reception of the Bible** Bradford A. Anderson, Jonathan Kearney, 2018-04-19 Drawing on the work of leading figures in biblical religious historical and cultural studies in Ireland and beyond this volume explores the reception of the Bible in Ireland focusing on the social and cultural dimensions of such use of the Bible This includes the transmission of the Bible the Bible and identity formation engagement beyond Ireland and cultural and artistic appropriation of the Bible The chapters collected here are particularly useful and insightful for those researching the use and reception of the Bible as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study Rather as this book shows the role of the Bible in the world is much more complex Nowhere is this clearer than in Ireland with its rich and complex religious cultural and social history This volume examines these very issues highlighting the varied ways in which the Bible has impacted Irish life and society as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 *Catalogue of Irish Manuscripts in Houghton Library, Harvard University* Cornelius G.

Buttimer,2022-01-15 The first full account of North America's largest collection of traditional Irish language manuscripts Harvard University has the largest collection of Irish language codices in North America held in Houghton Library its rare book repository The manuscripts are a part of the age old heritage of Irish book production dating to the early Middle Ages Handwritten works in Houghton contain versions of medieval poetry and sagas recopied in the eighteenth and nineteenth centuries to which period most of the library's documents belong Contemporary writings from that time as well as ones by the post Famine Irish immigrant community in the United States are included This catalogue describes the collection in full for the first time and will be an invaluable aid to research on Irish and Irish American cultural and literary output The author's introduction examines how the collection was formed This untold story is an important chapter in America's intellectual history reflecting a phase of unprecedented expansion in Harvard University's scholarship and teaching during the early twentieth century when the institution's program of studies began to accommodate an increasing range of European languages and literatures and their sources This indispensable guide to a major repository's records of the Irish past and of America's Irish diaspora will interest specialists in early and post medieval codices It should prove of relevance as well to scholars and students of comparative literature cultural studies and Irish and Irish American history Active Speech Úna

Kealy,Kate McCarthy,2025-04-07 Active Speech is a groundbreaking collection of scholarly essays and practitioner interviews focused on the work of Irish playwright Teresa Deevy Acts of recovery in the 1980s and 1990s challenged Deevy's exclusion from the literary canon reclaiming her contributions as significant to Irish drama and theatre The recent resurgence of scholarship and productions evidences that as a deafened woman and Irish playwright Deevy's creative power continues to disrupt and tilt the canon of Irish drama theatre and performance Essays within the collection explore how Deevy's work interrogates early to mid twentieth century Irish social norms and ideologies and provide a rich context for understanding her plays The collection highlights the interdisciplinary nature of research on Deevy and offers insights on her work through archival research literary analysis and practitioner perspectives from Deaf and hearing theatremakers One of the collection's strengths lies in its collaborative and inclusive approach showcasing diverse methodologies and rigorous scholarship The chapters on archival research and practitioner perspectives offer compelling models and avenues for future studies This volume is an essential resource for scholars educators and theatremakers alike **Meetings with Remarkable**

librarians thieves dealers and collectors He traces the elaborate journeys that these exceptionally precious artifacts have made through time and shows us how they have been copied how they have been embroiled in politics how they have been regarded as objects of supreme beauty and as symbols of national identity and who has owned them or lusted after them and how we can tell From the earliest book in medieval England to the incomparable Book of Kells to the oldest manuscript of the Canterbury Tales these encounters tell a narrative of intellectual culture and art over the course of a millennium Two of the manuscripts visited are now in libraries of North America the Morgan Library in New York and the Getty Museum in Los Angeles Part travel book part detective story part conversation with the reader Meetings with Remarkable Manuscripts allows us to experience some of the greatest works of art in our culture to give us a different perspective on history and on how we come by knowledge

A New History of Ireland, Volume III T. W. Moody, F. X. Martin, F. J. Byrne, 2009-03-12 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day The third volume opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad Two surveys Land and People c 1600 and c 1685 are included

Ireland: 1641 Micheál Ó Siochrú, Jane Ohlmeyer, 2016-05-16 The 1641 rebellion is one of the seminal events in early modern Irish and British history Its divisive legacy based primarily on the sharply contested allegation that the rebellion began with a general massacre of Protestant settlers is still evident in Ireland today Indeed the 1641 massacres like the battles at the Boyne 1690 and Somme 1916 played a key role in creating and sustaining a collective Protestant British identity in Ulster in much the same way that the subsequent Cromwellian conquest in the 1650s helped forge a new Irish Catholic national identity Following a successful hardback edition Siochrú and Ohlmeyer's popular title is now available in paperback The original and wide ranging themes chosen by leading international scholars for this volume will ensure that this edited collection becomes required reading for all those interested in the history of early modern Europe It will also appeal to those engaged in early colonial studies in the Atlantic world and beyond as the volume adopts a genuinely comparative approach throughout examining developments in a broad global context

The Index of Middle English Prose: Handlist XXV Niamh Pattwell, 2024 Handlist to manuscripts in Trinity College Dublin covering all 79 Middle English prose manuscripts and indexing more than 539 separate items The manuscripts in Trinity College Dublin are predominantly from the library of Archbishop James Ussher 1581-1656 A well known bibliophile of the sixteenth century he was also primate of All Ireland and fellow and professor of Trinity College Following some movement of the collection it was eventually returned to Trinity College after the Restoration at the behest of Charles II It is a significant collection both in national and international terms with over 600 manuscripts 79 of which contain Middle English prose Among the

manuscripts in the collection are several Wycliffite Bibles and collections of sermons and tracts some of them unique copies The collection also contains writings by Richard Rolle Walter Hilton and William Flete and copies of Thomas Kempis s Imitation of Christ as well as the Pore Caitif and The Cloud of Unknowing both of which are anonymous There are several copies of the Brut chronicle two of which MSS 489 and 505 are illuminated translations of Giraldus Cambrensis s Expugnatio Hibernica and a copy of Robert Bale s Chronicle of London 1189 1461 Also of note are the various collections of recipes medical culinary and alchemical Dictionary style items demonstrate the trilingual nature of the Medieval period with single words being offered in English alongside Anglo Norman and or Latin words or as marginal glosses Fifteenth century instructions for the coronation of a King or Queen hidden among some later material as well as other unidentified heraldic pieces suggest that some of the manuscripts may be associated with the office of the Ulster King of Arms The current handlist covers 79 manuscripts and indexes more than 539 separate items offering a significant contribution to the understanding of the cultural world of the Medieval period

The Universities of Scotland, Ireland, and New England During the British Civil Wars Salvatore Cipriano, 2024-12-17 Highlights the contested nature of higher education in the British Atlantic world between the Reformation and the Enlightenment Universities in the early modern period were powerful institutions in the formation of societies utilised as both tools to legitimise and perpetuate the power of states and archetypes upon which to model an idealised society that might maintain social order In an era of upheaval and civil war rival authorities clashed in the universities where the conflicts and complexities of early modern state formation were regularly laid bare The encroachment of the Stuart monarchy beyond England into Scottish and Irish academe stimulated broader resistance from Scottish and Irish authorities while prompting the founding of institutions of higher learning among expatriate communities beyond the British Isles especially in New England In these spaces universities were viewed as institutional bulwarks against external intrusions that promoted localised competing visions of the godly church and state amid the conflicts and complexities of early modern state formation This book provides new insight into the contested nature of higher education in the British Atlantic world between the Reformation and the Enlightenment and corrects outmoded notions about the universities purported insularity and intellectual poverty Rather the image that emerges of these universities is one of genuine academies of strategic importance employed to serve the agendas of ruling powers in Scotland Ireland and New England Trinity College Dublin Harvard College and the Scottish universities existed on the frontiers of a deteriorating composite monarchy with a centralizing impulse becoming battle grounds of the mid seventeenth century s intellectual political and religious conflicts SALVATORE CIPRIANO is Associate Director of Career Coaching and Education Stanford University He holds a Ph D in Early Modern European History from Fordham University

The Library of Franeker University in Context, 1585-1843 Jacob van Sluis, 2020-06-08 From 1585 to 1843 the Dutch town Franeker housed the University of Franeker It had its peak in the seventeenth century and attracted students from Protestant countries

throughout Europe A library was founded right from the start and its collection has been preserved almost entirely Eleven catalogues were printed in the course of its existence and as a result the development of the collection can be examined chronologically The Library of Franeker University in Context 1585 1843 discusses the relationship with education at Franeker University in detail and makes a comparison with other similar libraries [Early Modern Ireland, 1534-1691](#) Theodore William Moody, Francis Xavier Martin, Francis John Byrne, 1991 The third volume of A New History of Ireland opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to t *Borders and Boundaries* Tomás Finn, Kieran Hoare, 2025-09-18 This book examines the making and remaking of borders and boundaries primarily relating to Ireland Borders and Boundaries features selected papers from the 33rd Irish Conference of Historians held by the University of Galway in May 2021 on the theme of Borders and Boundaries It covers the medieval to the contemporary allowing a long view to be taken of the north west border of Ireland the borders of the early modern state the impact of the partition of Ireland and social boundaries in the late twentieth century It aims to stimulate debate and highlight how borders can be written out of history while remaining essential to comprehending the making and remaking of our worlds This volume will be of value for those interested in border studies Irish history and modern history [Reader's Guide to British History](#) David Loades, 2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication *The Shadow of a Year* John Gibney, 2013-02-15 In October 1641 a rebellion broke out in Ireland Dispossessed Irish Catholics rose up against British Protestant settlers whom they held responsible for their plight This uprising the first significant sectarian rebellion in Irish history gave rise to a decade of war that would culminate in the brutal re conquest of Ireland by Oliver Cromwell It also set in motion one of the most enduring and acrimonious debates in Irish history Was the 1641 rebellion a justified response to dispossession and repression Or was it an unprovoked attempt at sectarian genocide John Gibney comprehensively examines three centuries of this debate The struggle to establish and interpret the facts of the past was also a struggle over the present if Protestants had been slaughtered by vicious Catholics this provided an ideal justification for maintaining Protestant privilege If on the other hand Protestant propaganda had inflated a few deaths into a vast and brutal massacre this justification was groundless Gibney shows how

politicians historians and polemicists have represented and misrepresented 1641 over the centuries making a sectarian understanding of Irish history the dominant paradigm in the consciousness of the Irish Protestant and Catholic communities alike

A New History of Ireland, Volume I Dáibhí Ó Cróinín, 2005-02-24 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume I begins by looking at geography and the physical environment Chapters follow that examine pre 3000 neolithic bronze age and iron age Ireland and Ireland up to 800 Society laws church and politics are all analysed separately as are architecture literature manuscripts language coins and music The volume is brought up to 1166 with chapters amongst others on the Vikings Ireland and its neighbours and opposition to the High Kings A final chapter moves further on in time examining Latin learning and literature in Ireland to 1500

Burning the Books Richard Ovenden, 2020-11-17 Libraries preserve the knowledge and ideas on which rights depend no wonder they are so often attacked Richard Ovenden tells the history of this deliberate destruction of knowledge from library burnings to digital attacks and contemporary underfunding and makes a passionate plea for the importance of these threatened institutions

Women's Life Writing and Early Modern Ireland Julie A. Eckerle, Naomi McAreavey, 2019-06-01 Women's Life Writing and Early Modern Ireland provides an original perspective on both new and familiar texts in this first critical collection to focus on seventeenth century women's life writing in a specifically Irish context By shifting the focus away from England even though many of these writers would have identified themselves as English and making Ireland and Irishness the focus of their essays the contributors resituate women's narratives in a powerful and revealing landscape This volume addresses a range of genres from letters to book marginalia and a number of different women from now canonical life writers such as Mary Rich and Ann Fanshawe to far less familiar figures such as Eliza Blennerhassett and the correspondents and supplicants of William King archbishop of Dublin The writings of the Boyle sisters and the Duchess of Ormonde women from the two most important families in seventeenth century Ireland also receive a thorough analysis These innovative and nuanced scholarly considerations of the powerful influence of Ireland on these writers construction of self provide fresh illuminating insights into both their writing and their broader cultural context
