Homemade Pizza Crust Fiona Melbye,2021-06-14 Pizza dough on its own is obviously important as a base for your favorite pizza but it s also kind of bland Shockingly something made primarily of flour and water isn t super exciting to the taste buds and most of the flavor will come from whatever toppings you add This book offers a variety of dough recipes same day doughs that you prepare in the morning and use to bake pizza on the same night Sourdoughs made from naturally fermented yeast starter and not to mention gluten free dough both results in the most texturally sophisticated crust you have ever done at home
